**Here is how authors and pioneer breathwork facilitators
Sondra Ray & Markus Ray describe their offerings:**

*"Emam and Mahalakshmi's music is beyond just inspirational.
It is an offering of Pure Joy. Because they are in a state of Joy within
themselves, they can lift everyone who listens to them into that vortex of
feeling good. We need to be elevated in our Life into the Divine Realms.
This is our real HOME.
And Emam and Mahalakshmi can take us there."*
